Bill Baer writes for Crashburn Alley, a Phillies sports blog that is part of ESPN.com's network of baseball blogs. He is also a contributor to Baseball Prospectus and cohosts a local radio show. He lives in Aston, Pennsylvania.

Most certainly a book for baseball diehards. Great memories and a long rich franchise. The writer's love of the game and team shines through.

This is a very entertaining easy to read book. A great coffee table, beach, bedside book that you can pick up at any time; not be lost in a storyline that you have to reread pages to remember where you were. It has great trivia; and brings back the baseball game we all love.
