Summary And Analysis Of Hillbilly Elegy: A Memoir Of A Family And Culture In Crisis: Based On The Book By J.D. Vance (Smart Summaries)

Synopsis

So much to read, so little time? This brief overview of *Hillbilly Elegy* tells you what you need to know—before or after you read J.D. Vance's book. Crafted and edited with care, Worth Books set the standard for quality and give you the tools you need to be a well-informed reader. This short summary and analysis of *Hillbilly Elegy* includes: Historical contextChapter-by-chapter overviewsCharacter profilesImportant quotesFascinating triviaGlossary of termsSupporting material to enhance your understanding of the original work About *Hillbilly Elegy: A Memoir of a Family and Culture in Crisis* by J.D. Vance: *Hillbilly Elegy* is both an honest, heartbreaking memoir about what it's really like to grow up in poverty and strife and a searing, thought-provoking take on the growing class divide in America. *Hillbilly Elegy* touches on how, as a country, we got here—and what, must be done to reverse the damage. As Ivy League-educated lawyer and Silicon Valley principal J.D. Vance looks back on his childhood in Jackson, Kentucky, and Ohio, he recalls a youth marred by violence, poverty, and substance abuse, but also one of deep love and family loyalty. He tackles difficult questions about social class, upward mobility, and what it means to feel disenfranchised in your own country. His highly personal account guides readers to an understanding of rural conservatives, and how an entire segment of people transformed from New Deal democrats to right-wing Republicans. The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of nonfiction.

Customer Reviews

Interesting book about part of country in USA we do not often hear about.....the people of Middleton, Ohio. This book details a difficult childhood by a boy in a dysfunctional family....but saved by his grandmother! The fact that he has now returned to Ohio after working as an attorney in San Francisco is refreshing. Have recommended this book for our book club.

Thought provoking. Hopefully will lead to a better insight into the plight of many who are trying to make it in today's reality and falling farther and farther behind.

Unnecessary.

All should have a better understanding of these problems and this life so it can better be addressed and the repetitious behaviors ended.

A childishy Dickensonian plea. He cares nothing for the rest of us now that he has his. Two words: Selfish and Vain

Excellent overview of a little understood segment of American society. I recommend this book to those upper middle class individuals who think they have a good understanding of the political climate in this country.

Very thought provoking insight, but was hoping for more of the storyline.
