This is a good, more than just basic Crock Pot recipe book. It's so much easier to stay on top of eating healthier when you cook this way. The only way to go when you spend the day working and are too tired to cook dinner. All in all, I will purge many of my other crock pot cookbooks because all I need is this one fantastic cookbook. Highly recommend this cookbook for anyone who wants to use their crock pot more often!!! Wish it had pictures.

This is a very useful and helpful book. This book would be a great gift to someone with a slow cooker. The recipes given are easy to follow and there are some great tips in the book as well. There is a new recipe to try for every day of the year and they are all easy to follow and written clearly. The instructions provided in this book are very clear and easy to follow. All your possible questions will be answered. The recipes are quite diverse allowing you to enjoy different tastes from countries around the globe. All you have to do is to prepare the ingredients and follow the simple instructions of this book and put all together in your crock pot, set the time and you already have a delicious meal. I highly recommend this book to everyone.

This book gives information on how different recipes are good for your health and the benefit of slow cooking. It also gathered the recipes with minimum prep and no interruption during the cooking process for ours very easily. The recipes are no doubt, delicious, mouthwatering, having simple ingredients and easy to follow. A definite time saver cooking with slow cooker and adding variety to existing recipes to choose from. I would definitely recommend this book and cooking in your slow cooker!

This book is really an awesome guide on our every day life meal, in this book you will get to know about different meals and also easy ways of cooking them, I like this book especially when I want to

try a new meal i just flip through a try any of it. You should simply to set up the fixings and take after the basic directions of this book and set up all together in your stewing pot, set the time and you as of now have a flavorful supper. Thanks author for creating us a new very important book for all of us! I would highly recommended to read this book everyone.

Crock pot cooking can be much easier and fun to do when we know the right direction and all the important measures to keep in mind while cooking and keeping a supply of ingredients in abundance can make things easy to a big extent. This is a great guide. An amazing crock pot cookbook to have with tons of delicious recipes to learn. The book is well written and the formatting is really good so even if you're new to this kind of cooking you will be able to understand the procedures on how to prepare these recipes right away. Overall, this book is well written.

I am really searching for a book that will help me to improve my cooking skills, This book consists of delicious recipes and the best part is it's easy and affordable. Slow cookers or crock pot is a special design pot to slowly cook your meal as become melting and tender. I had never heard of a crock pot before, but I received one as a gift. I have gained a lot of recipes after reading this book. Quite a value for me to start out cooking. I like to eat food and make new recipes. I think it was a helpful book.

This is not the best book I have ever read about crock pot, but it is fantastic anyway, I more like books with pictures of recipes. I also love how easy the recipes are and how quick it is to throw together for the crock pot. Every recipe we've made so far has been incredible and easy to make. I've lost 10 lbs in 3 weeks with this cookbook and a new exercise routine! What else could you want from a cookbook? I can already tell this is going to be my "go-to" cookbook, just like her first cookbook!

The recipes are quite diverse allowing you to enjoy different tastes from countries around the globe. The instructions provided in this book are very clear and easy to follow. All your possible questions will be answered. All you have to do is to prepare the ingredients and follow the simple instructions of this book and put all together in your crock pot, set the time and you already have a delicious meal. I recommend this book to you all to must read this book and know about all the recipes.
