Customer Reviews

I dislike they put false information on Simone. She actually had a brother and sister who went back to her mom not two brothers. Other than that I would recommend this book to anybody who wants to learn about the Final Five

Excellent book.

This made my granddaughter very happy because she is interested in gymnastics.

Amazing!!! My daughter will love this!!!

Big disappointment. No color photos in the entire book. And the pictures aren't even good gymnastic pictures. Come on! Gymnastic fans want to see gymnastic photos, mid-routine photos where the

girls are in the air. This book had maybe 5 mediocre ones. The rest were the girls posing outside the gym. Just a big disappointment and I returned the book.

it is awesome i love the final five your awesome aly
