# Overthrowing Evil Altars

## **Synopsis**

The role of altars in the realm of existence is very key because altars are meeting places between the physical and the spiritual, between the visible and the invisible. In one word, an altar is a gateway in the realm of the invisible. By implication, therefore, no matter the plan and the purpose of God for your life, family, children, relationships, businesses, communities, and other personal endeavours, you must have the spiritual understanding that, until satanic and demonic altars in your foundation are overthrown, you are most likely to fall short of God’s plan for your life. No wonder God commanded Moses, “You must destroy their altars” (Exodus 34:13-14). In this book, Pastor Uzor Ndekwu draws from his many years of experience as a deliverance minister to explain why you must overthrow foundational altars, and why you must confront demonic or satanic altars erected to hinder or frustrate God’s plans for you and your family.
