Many almanacs on the market. We bought this one because the price was very low. But it is 10 years old. If you have ever bought an almanac you will notice that the data is one year older than the date on the cover. So if you buy the 2001 almanac you won't get all the data from 2000. That's why we bought the 2001 so it would have all the data through 1999. But time marches on and now it's time to get another almanac. has a wide array of almanacs both new and used. Beware that if you buy a 2012 alamanac that it won't even have all the data from 2011. But it should have all the data from the 00 decade. If you are a sports nut this isn't the almanac to buy. I'd get the Sport's Illustrated Almanac.
