This was a truly helpful book. I felt very prepared when I took my entrance exam.

Covered what I needed

In very good shape, this book seems to have all the right materials lets see what happens.

Great book. Very helpful for exam prep!

Great for studying to become a firefighter. Found the information current

Very helpful, need any advantage you can get in this career. Multiple practice tests, very similar to tests at departments all over the country!

This book has very clear instructions and explanations. It's great if you need to brush up on your math and mechanics before the firefighters test.

GREAT BOOK. THANKS.
