Story Of The Civil War Coloring Book (Dover History Coloring Book)

Synopsis

All the drama of the American Civil War comes vividly to life in these ready-to-color scenes of key moments in that epic conflict. Here are panoramic views of land and sea battles, revealing vignettes that dramatize social and political issues of the period, and detailed close-ups of uniforms, equipment, and locale. Forty authentically rendered illustrations (including five double-page spreads) depict a slave auction in 1860, black leaders Harriet Tubman and Frederick Douglass, the battle for the federal arsenal at Harpers Ferry, the bombardment of Fort Sumter, a naval battle between the first American iron-clad ships â” the Monitor and the Merrimac â” the signing of the Emancipation Proclamation, the Battle of Gettysburg, Lee's surrender to Grant at Appomattox, the assassination of Lincoln at Ford's Theater, and much more.

All the drama of the American Civil War comes vividly to life in these ready-to-color scenes of key moments in that epic conflict. Here are panoramic views of land and sea battles, revealing vignettes that dramatize social and political issues of the period, and detailed close-ups of uniforms, equipment, and locale. Forty authentically rendered illustrations (including five double-page spreads) depict a slave auction in 1860, black leaders Harriet Tubman and Frederick Douglass, the battle for the federal arsenal at Harpers Ferry, the bombardment of Fort Sumter, a naval battle between the

first American iron-clad shipsâ ”the Monitor and the Merrimacâ ”the signing of the Emancipation Proclamation, the Battle of Gettysburg, Lee's surrender to Grant at Appomattox, the assassination of Lincoln at Ford's Theater, and much more.

I had a conversation with my husband about adult coloring books being all the rage. I told him I was purchasing one and was waiting for him to make fun. Instead, he talked about how much he loved to color in history-based coloring books when he was a kid. He told me of old books in this series and of fun memories from his childhood. I originally thought that it would be tough to find these and was so pleased that I carried them! You should have seen his face light up! This is the perfect coloring book for history-loving children AND adults! Great buy!

I simply fell in love with this coloring book. I have studied a good deal about the Civil War. This book contains many pictures depicting historical events of the Civil War. I prefer to use colored pencils to attain shading. This book offers many opportunities to enhance coloring skills.

The felt pens go through pages and ruin the picture on the other side you can only use color pencils or gel pens. I'm disappointed because that's why I like the Dover coloring books but this book failed me

Nice mini info provided for each picture. Wish the pictures were a little larger for coloring, some details are way too tiny for a young elementary student to master. All the same I am still going to be purchasing several other subject coloring books for my children.

The Dover series of History Coloring books is NOT designed for little kids. These exquisitely intricate pictures are accompanied by detailed historical information about specific areas of interest. They are a wonderful supplement to any history curriculum, especially for children who are visual learners. Look for other volumes in the same series!

This was bought for a friend recovering from a lengthy hospital stay that enjoys all things related to the Civil War. I looked through it before gifting and was impressed by the quality of the coloring book. You definitely can't beat it for the price!

Not only did I enjoy coloring these pictures but I also had a history lesson with each one as they

were finished.

This is a wonderful book to teach about the Civil War. I used it along with the online lessons. I am so happy these are offered!
