Night Shift (Night Tales)

Synopsis

#1 New York Times bestselling author Nora Roberts presents a passionate story from the thrilling Night Tales series. Her voice was like whiskey, smooth and potent, but it was her contradictions that fascinated Detective Boyd Fletcher—the vulnerability beneath her tough-as-nails facade. Late-night radio announcer Cilla O’Roarke was being threatened by a caller, and it was Boyd’s job to protect her no matter what. But the sultry deejay was getting under his skin, and the undeniable attraction that sizzled between them concerned the detective because anything could happen on the Night Shift.

Customer Reviews

"Roberts’s bestselling novels are some of the best in the romance genre." - USA TODAY "Nora Roberts is a storyteller of immeasurable diversity and talent." - Publishers Weekly "Romance will never die as long as the mega-selling Roberts keeps writing it." - Kirkus Reviews" --This text refers to an out of print or unavailable edition of this title.

Nora Roberts is the #1 New York Times bestselling author of more than 200 novels. She is also the author of the bestselling In Death series written under the pen name J. D. Robb. There are more than 400 million copies of her books in print.

Love Nora Roberts, as a general rule, but I just couldn’t get into this one. It really came across as

being dated, and while normally such a thing is not necessarily a deal breaker for me, it completely ruined this book. The female lead is obnoxiously obstinate in her lame attempts at being an independent, self-sufficient woman (e.g. almost any TV Show or movie from the 80s). I wanted to slap her so many times in the first quarter of the book that I had to just stop reading. For me, reading fiction is all about escapism and enjoyment. This book, unfortunately, just wasn't enjoyable. I probably won't attempt to read any of the other books in this series unless they're available on the cheap since this one was such a dud.

Good read. Always lots of plaits and twists from author but in the end the outcome is perfect. Found it enjoyable.

This is the third time I've read this book and the series and enjoyed it each time. Now that I have it on my Kindle I'll probably read it another time. It had just the right amount and suspense to keep my interest at a high level.

Nora Roberts is always a good read. This particular one was a bit predictable; but, as always, the characters are interesting with good dialogue. I did enjoy it!

this was a good listen!

great read

I like the story, but this has to be the most unlikable female character in a book, I have ever read.... I like the cop, not the girl.... I was actually pulling for the bad guy.

I love this book
