## Customer Reviews

Karen Sirvaitis is an author and editor. She wrote many of the Across the USA TODAY titles and most recently USA TODAY's Lifeline Biography of Barack Obama.

I liked the colorful pictures, but there were not a sufficient amount covering peoples, their cultures, accommodation etc. Other work to check out: My Heritage- Memories of Growing up in Guyana, South America

This is a good reference book on Guyana. It covers the geography well. My parents are from Guyana and they liked it, although they did say some of the political and historic facts were either lacking or inaccurate.
