Exploring Ireland's Wild Atlantic Way: A Travel Guide To The West Coast Of Ireland

Synopsis

Exploring Ireland's Wild Atlantic Way is essential reading for anyone planning to visit the Atlantic coast of Ireland. Whether looking for ideas for weekend adventures or visiting from abroad you will find everything you need within this guide. The Wild Atlantic Way is a 2500km touring route that travels the full length of the west coast of Ireland, taking in some of the most breathtaking scenery imaginable. This book's focus is on the outdoors - on getting out into the fresh air, the wind, the sun and the rain - and experiencing the incredible natural beauty found everywhere along the coast. It is full of spectacular photos, helpful maps and detailed information on the west coast's best sights, from the most famous landmarks to the hidden gems on this awe inspiring route.

Customer Reviews

If you are planning a trip on the west coast of Ireland, this is a great guide to the natural beauty to be seen.

This book is a detailed account of all the trails and beaches etc on the west coast of Ireland. Very

good for hikers and surfers, I enjoyed it as an armchair traveler too.

This book gives a good overview of the region.

A great buy, if you are planning a trip anywhere along the Wild Atlantic Coast of Ireland. This book is an invaluable source of information, it is loaded with details on towns villages and places of interest and stunning beauty spots to visit along the way. It also contains information on local activities for everyone, a fantastic reference book when planning your trip. The book is loaded with beautiful pictures of Ireland's fantastic scenery giving you a great incentive to visit an area. All in all well worth the money.

If you're looking for a guidebook to break away from the throngs of tourists on the Kerry Way and explore the Ireland's abundant natural beauty, this is the guide for you. I've visited Ireland many times throughout my life and this guidebook has reinvigorated my excitement for returning once again. The information included in the guide includes hidden gems only locals know of and I can't wait to use it to discover new places. Not to mention, the photography is top notch. Thank you!

This is a great book for planning a trip to the west coast of Ireland, with information on all sorts of coves, beaches and trails to explore. The authors know their stuff when it comes to rock climbing, hiking, biking and kayaking the area; the book is loaded with ideas to get out and explore, or just relax and watch the Atlantic rollers coming in. Plus the photographs, many by the authors themselves, are wonderful, perfect for armchair traveling. Now I just have to figure how I can add a couple weeks to our upcoming trip.

Well structured & informative guidebook which gives good insight into some of the more out of the way/ less publicised places of interest along Ireland's Atlantic west coast. With its emphasis on the natural environment, outdoor activities and unique local providers it is particularly well suited to families and active visitors both Irish & international alike.

A great companion to the Wild Atlantic Way. It has lots of relevant and easy to follow info packed into a comfortably sized book. Great photos to help you in deciding where to stop off. Perfect for your car or as a memento
