# 5th Grade Vocabulary Flashcards: 240 Flashcards For Improving Vocabulary Based On Sylvan's Proven Techniques For Success (Sylvan Language Arts Flashcards)

## Synopsis

HELP YOUR CHILD VANQUISH VOCABULARY! We've selected 230 words to help your child expand their vocabulary and enhance their school and reading success. With words and a contextual sentence on the front, and definitions, pronunciation, and syllable breaks on the back, our Sylvan flashcards make learning easy and fun. We've also included 10 blank cards kids can use for new or personalized vocabulary. Plus, it's easy to keep track of which words your child has learned with the color-coded meter on the side of this box. Once your child feels comfortable with a card, flip it upside down, move it to the back of the box behind the divider, and watch your child's vocabulary grow!

These are great! My daughter is in kindergarten and loves them! Some are super easy and you need to mix them up, but some are a little too hard, like a weird riddle. We're still happy with them though! The paper is see through, so make sure they can't see the answers.

The sentences are appropriate and definitions accurate. A good bundle of vocab words to enrich your fifth grader's repertoire. Ex agony, chronic, eliminate, rural, revolt, savage, wary.

excellent word choices

good product

Great cards, good to keep kids mind busy during summer vacation

These are what you see. My only complaint is that ever flash card is on very flimsy paper. It feels almost thinner than normal printer paper. The problem with that, is it's not really possible for my son to just take these and go through them himself for practice.

Great price fast shipping my daughter loves it

I bought the 3rd, 4th and 5th grade sets of these for my daughter to expand her vocabulary. I like them, except I wish the definitions were on the opposite side of the card than the word, to make them better flashcards for tests. I have to create a test myself, manually, which would be eliminated by this simple reconstruction.
