Attack On Titan 13

Synopsis

NO SAFE PLACE LEFT At great cost to the Garrison and the Survey Corps, Commander Erwin has managed to recover Eren from the Titans who tried to carry him off. But during the battle, Eren manifested yet another power he doesn't understand. As Eren and Krista find new enemies, the Survey Corps faces threats from both inside and outside the walls. And what will happen to Ymir, now that she has decided to make herself the Titans' prize?

works great

I swear the more you read the more intense it gets dude!!!!!! can't wait for book 14 to get here :D

This is one of the best books of the series and I can't wait till I get book 14 The only part that made me feel differently was poor sweet Armin being harassed as "Historia", that just made me wanna cry... other wise this is really good .ovo

Amazing once again. The suspense is great and we get a some very interesting development with eren's titan power. Another great volume, worth the price, and THAT COVER is bad***.

Intense,drama filled,not your everyday menga I seriously recommend to horror + swag + full of sexy

people + awesome anime

Another great read in the Titan series. Sorry No Spoilers here.

I really enjoyed this edition of Attack On Titan because it has a quick moving, yet sometimes calm plot that readers are sure to enjoy.

I loved the AOT series, and if you don't know, be prepared for rage, violence, and plenty of gluttony :) Love it, waiting on more...
