Feasting On The Word: Year A, Volume 2: Lent Through Eastertide (Feasting On The Word: Year A Volume)

Synopsis

With the twelve-volume series *Feasting on the Word*, Westminster John Knox Press offers one of the most extensive and well-respected resources for preaching on the market today. When complete, the twelve volumes will cover all of the Sundays in the three-year lectionary cycle, along with moveable occasions. The page layout is truly unique. For each lectionary text, preachers will find brief essays --one each on the exegetical, theological, pastoral, and homiletical challenges of the text. Each volume will also contain an index of biblical passages so that nonlectionary preachers may make use of its contents. The printed volumes for Ordinary Time include the complementary stream during Year A, the complementary stream during the first half of Year B, the semicontinuous stream during the second half of Year B, and the semicontinuous stream during Year C. Beginning with the season after Pentecost in Year C, the alternate lections for Ordinary Time not in the print volumes will be available online at feastingontheword.net.

Customer Reviews

Love these commentaries and kindle version shows well. Only problem is that the Year A,B,C and Volume number are near impossible to read on the cover view which makes finding which one you need quite the annoying task.

I regularly glean some great insights from the entire series of books. That is not to say that you will agree with every contributor, but at least you have four perspectives from which to read. highly recommended.

This is the first reference I open when preparing a sermon or Bible study. I have the entire series on Kindle which is very convenient. The one suggestion I would have is that the covers be designed so that they are easier to identify on the Kindle screen. All twelve volumes look alike, so it is difficult to find the one I'm looking for. If the "A" "B" or "C" could be on the cover along with the dates it includes, it would be very helpful. For this reason, I am giving the series four stars instead of five. That said, once I've located the text, there are four commentaries for each of the four lectionary texts. All are well written and insightful. It would be nice if there was a brief bio about the authors, just to better understand their theological foundation a bit better.

good so far

Hi, this is a great kindle resource. I do however really miss not having the new flip page feature. Please add this if you can as this is a reference book that you flip from one section to the next. I don't know how to make this request anywhere else. Can flip page be added?

This series has sustained me through many difficult sermon subjects as well as brought freshness to time worn scripture, offering new perspectives. It is a growth producing book with enough information to be fresh for many years to come.

Wonderful resource for writing sermons.

This is a great tool to use when preparing sermons.
