## Customer Reviews

Rafi Fernandez is an accomplished cook and prolific author of books covering recipes from her native India. She appears at cooking demonstrations and runs two shops, Rafi's Spice Box. She also supplies spices through her website

Great recipes, I like all of the measurements in both english and metric and adding common names of ingredients, uncommon to me, such as mangetouts ( snowpeas) or ground nut oil (peanut oil). Easy to follow recipes.

Real nice book!!!

The best recipes I have ever made. I want more books by the chef!
