The New Jim Crow Study Guide And Call To Action

Synopsis

Drawing from and expanding on the themes of Michelle Alexander's acclaimed best-seller, *The New Jim Crow*, this in-depth guide provides a launching pad for groups wishing to engage in deep, meaningful dialogue about race, racism, and structural inequality in the age of mass incarceration. *The Study Guide and Call to Action* spans the entirety of *The New Jim Crow*, engaging the critical questions of how we managed to create, nearly overnight, a penal system unprecedented in world history, and how that system actually functions - as opposed to the way it is advertised. This important new resource also challenges us to search for and admit the truth about ourselves, our own biases, stereotypes, and misconceptions, and the many ways in which we might actually be part of the problem.

Customer Reviews

Suck a great analysis of the current judicial system of racism, our biased judicial system and the new jail system. Perfect complain to Byran Stevenson's "Just Mercy, " and vice versa.I highly recommend viewing Michelle Alexander's TED Talk. Take it a little further and watch Byran Stevenson's TED Talk.

This amazing book will totally turn your ideology upside-down. Very nice research and convincing arguments. "Make America Great Again" is a misnomer. America was never great for many Americans.

An extremely important book and a call for justice. Will we answer that call? A sad commentary of our country - shameful.

Excellent guide for studying the topic.

Helpful guide for a huge topic.

A tremendous help in providing a direction to taking action.
