Roger Priddy left school at 16 with just one qualification in art. He went to Berkshire College of Art and Design and trained as an illustrator. His first job in children's books was working with the publisher Peter Usborne, at Usborne Publishing, and then he worked with Peter Kindersley at Dorling Kindersley, where he spent 16 years. Priddy became Creative Director of DK's Children's Division and was Managing Director of the children's mass market publisher Funfax when it was acquired by DK. In 2000, he created Priddy Books with John Sargent at St Martin's Press to create innovative and imaginative titles for children, from first books for babies through early reference titles for older children. Since then, over 30 million copies of Roger's 200 plus books have sold worldwide, with five of his books *My Big Animal*, *My Big Truck*, *Happy Baby Words*, *Happy Baby Colors* and *Puppy and Friends* each selling over one million copies. He is also the author of *Big Board First 100 Words*; *Big Board Books Colors, ABC, Numbers*; and *Bright Baby*

Noisy Monsters. His creativity has been recognized with numerous industry awards. Priddy lives in London with his wife Zena and their four children.

A family favorite! Such a beautiful book, my 2 year old has learned bunches of new words and loves to search and pick out the little items on each page!

This book is a favorite in our house. My almost 3 year old has been enjoying it for over a year now. I think this is maybe the 10th copy I have purchased (girls version too) as it is my go to gift for all the kids.

My grandson never took to this book. Who knows.....

Love this high quality book and the fact that you can do them over and over again.

I love Roger Priddy books and so do my kids. The very best for preschool and kindergarten aged children!!! :)

Wonderful book! My son enjoys it.
