Rite Of Christian Initiation Of Adults, Study Edition: Complete Text Of The Rite Together With Additional Rites Approved For Use In The Dioceses Of The United States Of America

Synopsis

This book is the RCIA! Exactly like LTP's ritual edition in size and pagination, this study edition enables everyone involved with the RCIA to have a working copy of the entire document. With ample margins for notes, sturdy but flexible binding, clearly numbered paragraphs in the introduction and texts, this edition is for study, reflection, and preparation of liturgy. The introduction to the entire RCIA and the introduction to each of the rites express the understanding that should be the foundation of the parish catechumenate. Who should have a copy of this book? The catechumenate team, catechists, music ministers, sacristans, pastors and pastoral associates, the liturgy team, deacons, presiders, seminarians, and theology students. Published by Liturgy Training Publications.

great price for this important work.

Excellent

It was not what I was expecting. I wanted a book to learn not to teach. This is really not to teach it is for the Priest or Deacon to use at the rite of coming into the church.

I wish I had this book earlier in the RCIA program I attended. It actually teaches what we were supposed to learn but were not taught by the well-meaning but less than well-trained instructors.

nice books i got and cheap..really cheap.It looks like slightly used but all pages are neat.I would gladly recommend to each one to buy after reading this comment something you need from .Thanks.

This is a great resource for anyone involved in the RCIA process as a Catechist or leader within their parish. It explains the theology behind the rites and includes the rites themselves.

Wonderful resource for the newly initiated.

I received the book just as was described....even nicer. Thank you...am very happy with this purchase.
