Fancy Nancy is thrilled to learn that her uncle is getting married. She is excited to go to her first ever wedding, and she is certain that she knows what to expect: it will be a lavish affair where ladies wear elbow-length gloves and dance well past midnight, and, most important, Nancy will get to be the flower girl, with a frilly, petaled gown of her own. But when Nancy wakes from her glamorous wedding dreams, she is dismayed to learn that her uncle is having a nontraditional wedding at a lakeside cabin at dawn—and she doesn't even get to be a flower girl. Effervescent Nancy comes around, though, when she realizes that nontraditional weddings—especially

ones with pancakes at the reception – can be just as great. Fans of Nancy will be happy to see the usual hallmarks – her determined fashion sense, riotous curls, and expansive vocabulary are all on display – and little girls coveting that treasured flower basket will learn that weddings are fun whether or not they get to process down the aisle. Preschool-Grade 2.

--Sarah Hunter

Here comes the bride! Fancy Nancy can't wait to attend her uncle's wedding. She envisions the most exquisite celebration to take place – after all, she's never been to a wedding before. But when Nancy learns that her uncle and his fiancée, Dawn, are taking a more nontraditional route, she's afraid it won't be the fancy wedding she had hoped for. Fans of Fancy Nancy will delight in this story of how Nancy learns that sometimes a simple celebration can turn out to be more magnificent than she ever imagined!

My granddaughter is a Fancy Nancy fanatic. Her vocabulary is amazing. She is in kindergarten and her teacher said she reads like a 3rd grader. We have been reading the Fancy Nancy books to her since she was 3, and now she can read to us! We love Fancy Nancy. The life lessons in her books are great and done in such a "Fancy" way!

i identify with fancy nancy, being a nanci myself, and loving fancy. i bought my granddaughter this book, and a copy for myself so we can read together over skype. she was in 3 weddings so it was a great topic. she loves fancy nancy, too! as long as jane o'connor writes about nancy i will be adding to my collection. there are always new vocabulary words and a little french thrown in. can't get much fancier than that! totally enjoyable!

Jane O'Connor is just a genius; she consistently delivers great books. Fancy Nancy is THE BEST book series for little girls ages 3-10. Fabulous storylines and a very likeable main character. My daughter and I love these books. Of course, my daughter is now nine, so I don't know how much longer she will be into these. She also loves the Nancy Clancy chapter books. I love to give Fancy Nancy books as gifts to my nieces and great-niece.

What can you say about Fancy Nancy? She is Fabulous that means really great. All of her books are filled with detailed colorful pictures a nice story and a lesson to be learned. Fancy Nancy is smart, creative, and willing to learn new things. I buy every book that is published and they all have

their merits. Little girls love them and I love reading them to them and with them. This series is one of the very best ever. If you have a little girl in your life who is adorable, sweet, and yet unique that means one of a kind buy her this book and series. It always lets you know that being unique and being yourself is a spectacular thing!

I was so excited to see this book was coming out. I am a kindergarten teacher so I love a good book with some "colorful words" I decided to pre order a copy for my classroom and a copy for my flower girl since I am getting married. It was a cute part of my gift to my flower girl and she thrilled to see one of her favorite characters

We love fancy nancy and we loved this book as well. Nice large sized quality printed soft cover book. The cover is on heavy stock so is nicer than most soft covers. It also has a little sparkle-perfect.

Little girls love dressing brides and crying at weddings

This book was one the little girls in our home had not read, being one of the newest. Ages 6 and 9, they loved it! The illustrations are so beautiful and the story has a unique spin on what Nancy considers a proper wedding. If you have a Fancy Nancy fan in your life, they will adore this book too!
