NATIONAL GEOGRAPHIC KIDS inspires young adventurers to explore the world through award-winning magazines, books, website, apps, games, toys, television series and events and is the only kids brand with a world-class scientific organization at its core.

I bought for my 3.5 year old to entertain him on a long flight. I had to help him a lot as the pages have specific stickers that go with them, but there are a lot of fun facts and pictures for us to look at while he stickered and it kept him busy for a quite a while.

Stickers don't stick to the pages after seconds. Too many stickers, needs more pictures & content for young readers/viewers.

We purchased this book prior to our 4 year olds first plane ride for entertainment. Our son loves sharks, so it was a great fit. Lots of activities on each page outside of sticker placement such as coloring, design, reading/educational, word search and mazes. Stickers are of good quality fit well and match up to certain pages. We spent most of our vacation time immersed in this activity book and he wants to continue to play even after we got home!

Excellent choice for my 7 year old grandson. Keeps him busy while he learns about his favorite animal.

Gifted this for my shark obsessed nephew. He loves the variety of stickers and the amount. Great for any shark lover.

Very cute book! My son loves it! I purchased this book for my 6 year old son who loves sharks. It was a total hit! He loves this book. Plus, it's filled with activities and stickers that are engaging and educational.

Adorable book that my daughter has fallen in love with! The pictures are bright and bold and it is perfect for a two year old!! It arrived quickly and in wonderful condition!

This workbook is fantastic! My 7 year old son loves the activities...
