inÃ Â Kindle Store > Kindle Short Reads > Two hours or more (65-100 pages) > Cookbooks, Food & Wine

Customer Reviews

There was only one main course from each of the countries covered - only two of the recipes in the entire book were suitable for vegetarians. When one thinks of the varieties of fruit and vegetables available in Southern Africa, it seemed a bit skimpy. Especially when one considers that meat is not eaten every day in most of the countries in question.
