Shipping Weight: 8.8 ounces (View shipping rates and policies)

Average Customer Review: 2.9 out of 5 stars 2 customer reviews

Best Sellers Rank: #3,246,867 in Books (See Top 100 in Books) #43 in Books > Travel > Europe > Germany > Frankfurt

Customer Reviews

EARL STEINBICKER is a born tourist who believes that travel should be a joy, not an endurance test. For over 35 years he has been refining his carefree style of daytripping while working in New York, London, Paris, and other cities; first as head of a firm specializing in promotional photography and later as a professional writer. Whether by public transportation or private car, he has thoroughly probed the most delightful aspects of countries around the world — while always returning to the comforts of city life at night. A strong desire to share these experiences has led him to develop the "Daytrips" series of guides, which he continues to expand and revise. Recently, he has been assisting other authors in developing additional "Daytrips" books, further expanding the series.

This book reads like it was culled from a larger work, and is disappointing in its lack of detail. Many

of the "day trips" included within are not even in the Rhineland, and if the Rhineland is your starting point, these trips are much too far to do in the same day. I had hoped that with its limited focus on the Rhine region I would find some hidden gems to see in the area that other books had overlooked, but no such luck. In many cases the information was less detailed than books covering the whole country and lacked the added insights those books offer. Better to spend your money on a Fodor's, Frommer's or even Rick Steves compilation of Germany as a whole as those books will include everything in this book and more.

Came on time in excellent condition and has been very useful in planning a forthcoming trip.
