Top 10 Brussels, Bruges, Antwerp & Ghent (EYEWITNESS TOP 10 TRAVEL GUIDES)

Synopsis

Newly revised, updated, and redesigned for 2017. True to its name, DK Eyewitness Travel Guide: Top 10 Brussels, Bruges, Antwerp & Ghent covers all the region's major sights and attractions in easy-to-use "top 10" lists that help you plan the vacation that's right for you. This newly updated pocket travel guide for Brussels, Bruges, Antwerp & Ghent will lead you straight to the best attractions these cities have to offer, from the Grand Palace in Brussels to a restful trip on the Dijver Canal in Bruges, and from the Design Museum Ghent to the high-class fashion of Antwerp. Find the best beer, chocolate, and waffles in the country. Expert travel writers have fully revised this edition of DK Eyewitness Travel Guide: Top 10 Brussels, Bruges, Antwerp & Ghent. + Brand-new itineraries help you plan your trip to these areas of Belgium. + Maps of walking routes show you the best ways to maximize your time. + New Top 10 lists feature off-the-beaten-track ideas, along with standbys like the top attractions, shopping, dining options, and more. + New typography and fresh layout throughout. You'll still find DK's famous full-color photography and museum floor plans, along with just the right amount of coverage of history and culture. The perfect pocket-size travel companion: DK Eyewitness Travel Guide: Top 10 Brussels, Bruges, Antwerp & Ghent. Recommended: For an in-depth guidebook to Brussels, Bruges, Antwerp & Ghent, check out DK Eyewitness Travel Guide: Brussels, Bruges, Antwerp & Ghent, which offers a complete overview of these cities; thousands of photographs, illustrations, and maps; and more.

Customer Reviews

This book is useful and concise in its content, especially then these specifics cities/towns are in the travel itinerary. Yet, it is a compact book and easy to pack in one's back pack or suitcase. The photos are beautiful and helped identify the specific place, location, churches/cathedrals and monuments.

I agree with a prior review---this is not a great book for budget travelers, but still, it's a nice overview for someone who's only going to be there a few days and only wants highlights. Beware, tho. The guide says Brussels is part french, part flemish, so to be safe, just rely on english. I found 2 things. First, all language i heard was french. All shops, bars, restaurants--greeted me and spoke to me in french. The only time i heard flemish/dutch was when i overheard a few poeple on the street talking to each other. When i asked (in french) if shop keepers spoke english, they said yes, but only about half really could speak much. Second: other than the machines to buy a ticket for a tram or train, there is no English there. On some trains the electronic signs were in Flemish and French, in others, they were only in french. Nothing in English (which is contrary to what this book says). The book didnt warn of this...it gives a false sense of security for English-only speakers.

Fast and Basic. Just a companion, not the sole guide to rely on. Best to read prior the "main" guide, and an excellent guide to carry on.

Recommended for travelers that can spend more than few hours in the city. We just were there 3 hours and those were not enough for all the beautiful and interesting places included in the Top 10.

A small, concede, and helpful guide to the important sights. Helpful information. And good street maps, one of which is in a pocket of the bood and can be removed.

This book is what it claims to be - the top 10 in Brussels, Bruges, etc. I *thought* I wanted something small, compact and high-level like this, but when I was actually In Brussels (and In Bruges), especially with my Belgian hosts, I found out I really wanted something more in-depth and

detailed. So I can't fault the book for what it is. Just make sure you want a high-level overview book if you get this one, but if you want any detail at all I would recommend getting something larger, thicker and more detailed.

Not easily usable. Their books are great but the kindle version is worthless. I wish I knew how to send it back.

clear directions and very informative!
