Customer Reviews

Book by White Wolf

Seller shipped the book in fantastic condition. Expensive and hard to get a hold of, but very worth it! The Houses are one of the more interesting pieces of the demon setting and this gives a very in depth look into all of them. Demon was one of White Wolf's best game lines.

This book is a MUST HAVE for any demon or World of Darkness player. the section of the Halaku (Slayers) is worth the price of the book alone. Signifigant details on the creation of Haven (the underworld), and possible connections to werewolf in the form of the Loyalist Angle, Ziana Seraph of the Cycle (who became the World Tree)... hmm Gaia maybe?BUY THIS BOOK!!!!New Rituals... powerfull reliks including Lucifers own horse!
