Best Sellers Rank: #108,464 in Books (See Top 100 in Books) #135 in [Books > Business & Money > Personal Finance > Retirement Planning](#)

Customer Reviews

Book by Michael A. Dalton, James F. Dalton

Very helpful. Examples in the book helped out a lot, the book material wasn't confusing and was able to answer my questions on my tests with relative ease.

The book contains all the information that you could need, but I think that the organization of the contents within the chapters was convoluted and could definitely be improved. If not required for your course, I would consider another book covering the same topics.
