Tough To Tackle (Matt Christopher Sports Classics)

Synopsis

No one trusts a quitter... More than anything Boots Raymond wants to be a quarterback for the Apollos. But because of his size, the coach assigns him to a tackle position-and there's no arguing with the coach. Boots rebels and almost quits the team. I purchased this for a student who is usually only interested in books related to some kind of racing. He finished it within a week and when I asked if he liked it, he said "Are you kidding me? I LOVE it!" I am happy to finally have found a book that he will read that will expand his interests a bit.

A fun quick read for my football loving son! He couldn't put it down!

This book was interesting for people who like football, but if you don't, do not read it. It has a lot of funky plays and calls you wouldn't understand. Overall though, this book was good.

This book was for my son! He loves Matt Christopher and the books qualify for his AR points!

my son loves these books! Great author!

For any boy who likes football or plays the game. Boots writes to his brother in the military about what is happening at football and his brother helps him through his letter.

Another great book.

Good book for my 8 year old boy. He's been reading it and always wondering who's gonna win and what's going to happen next. Very exiting.
