Ned McIntosh has coached Little League baseball for twenty-plus years. A resident of Berlin, Maryland, he is the author of Managing Little League® Baseball and Little League® Drills and Strategies. Rich Cropper has coached Little League baseball for seven years. He lives in Bishopville, Maryland.

Well worth the money.

I was a first time coach and this book gave me some pointers and confidence to head my practices.
Thanks!

This book is extremely basic. I would only recommend it for those who have very little knowledge of baseball. It spends a lot of time covering basic rules of tee ball and does not cover the fundamentals in enough detail to be of any use. If you have ever played baseball then this book is not for you.

This was just the book I needed to take on the task of managing my sons Tee Ball team. Simple, easily read and understood, and most important age appropriate for the little guys and gals.

This book provides a good overview of the rules and regulations of t-ball while providing great teaching techniques and tips for new and current coaches.
