Customer Reviews

My wife loves this book a must have if you love Dr. Suess. We bought this for our kids. They love to read Fox in Socks. Dr. Suess is a poetic genius. One of those books we will save and have for our grandkids some day!!;)

Although my 2 year old grandson thoroughly enjoys Dr Seuss books, he never asks for this one. I think it's too complicated for the really young.

Husband and I are not a fan. Son (two year old) LOVES it, often asks to have it read. What are you gonna do, you know?

Everyone loves trying to read this silly book. As others posted it is not the full book, but since this is geared toward babies I don't consider that a bad thing.

This is a great story, but do your baby a favor and get the real version!

It's a fun book even for the littlest. We read it both quick and slow and baby is always entertained by it.

Fun to read to my toddler! He loves listening to the tongue twisters!

bought for grandson to add to his library. perfect
