Customer Reviews

Bought this book because I promised to give a presentation on Puerto Rico, my homeland, to my daughter's preschool class. It was perfect for her age -- a little challenging, which is good. The pictures are vibrant, and the information is accurate. It was perfect.

After a trip to Puerto Rico, I bought this book for my granddaughter. We have enjoyed looking through it and discussing what I saw and heard while I was there. Excellent book.

Gives you ideas for what to research to share with students to learn about Puerto Rico. Not enough photos to use on its own.

The picture are very beautiful and captures the true location. The history is simple and true for my daughter to understand.
