I think this book helps with life's challenges and points you towards God's promises over your life. This book along with the Word of God (the Bible) has really helped me through so many difficulties.

Through the teaching of this book I have learned to take power and authority over my life and the hardships that my family and I are going through. This was my third purchase of this book (this time a kindle book) - to replace others given as a gift read. Appreciate Neil Anderson's plain and frank approach to finding freedom in Christ.

This is a great book for anyone who is experiencing spiritual oppression, depression, anxiety, fear... Neil does a great job of breaking down the problem and building you back up with biblical references and knowledge.

I am still reading, and for the most part really enjoy the book....here is one question though; 1 Cor. 6:17 states "But he that is joined unto the lord is one spirit." On page 186 Neil Anderson asks in support of the idea that the Holy spirit can co exist with our spirit, " Third the Holy Spirit is in union -co-exisiting- with our spirit and surely we don't consider our humane spirit perfect." So if our spirit is one with the Lord, is not our spirit perfect? i'm confused. Any insights? James

This book changed my life. I had Bipolar 1 Disorder with psychotic symptoms, and was on the highest dose on 7 medications, double the highest dose on 2 of those just to sort of function and to sleep at night. This book gave me what I needed to know so that God could set me free. If you have any psychiatric disorder or think you have something spiritual going on, you need to get this book. I would recommend every Christian read this even if you don't think you have a spiritual battle going on. READ THIS BOOK!!!

freedom freedom freedom yes you can be free this book will walk you through the steps to overcoming negative thoughts emotions and stuff you cant seem to get rid of one of the best things to know is how to overcome and what God has to say about you if you believe in Jesus Just who are you anyway? you are the light of the world the salt of the earth . You are blessed with all blessings You are gods child he made you. This book will help you to stand and declare who you are it will show you how to get rid of those voices telling you you are not good enough God says different and you need to learn your weapons this will bring you to the knowledge of what the word of God says for this is what God says over you . Yes YOU

Excellent book for Jesus followers who are serious about areas of struggle or bondage. If you aren't one to believe in spiritual warfare, this book isn't for you. Otherwise, it is a nicely balanced view with

many, many helpful insights.

This is one of the best usable and approachable inner healing and deliverance tools in the church today. The 7 steps utilize a simple system of recognizing sin, lies, etc. and doing the work of repentance and an infilling of truth. Pay no heed to the nay-sayers who rant about demonology. Anderson clearly and repeatedly emphasizes that demons are real, but dealing with them is a matter of encountering truth. Here is no exaltation of evil, it is a exaltation of God's power and a recognition of the truth that we must appropriate the great victory of the cross in daily life choices. This is solid teaching and method for leaving behind the life of sin-confess-sin-confess-sin-confess into a lifestyle of victorious and abundant life.

This was an incredible book. If you are intrigued by spiritual warfare, you must read this book. If you want to learn how to get free from spiritual bondage, you must read this book. If you doubt spiritual warfare exists, this book will change your mind. Be prepared for some spiritual challenges as you read this book. If you choose to follow the program of getting freedom in this book, be prepared to face even more spiritual challenges. But, once you complete the activities and trust that God has freed you, it is very liberating. I highly recommend this book.
