Grade 3-6-An account of Olajuwon's "quadruple-double," when he earned 18 points, 16 rebounds, 11 blocked shots, and 10 assists in one game, begins this limited biography. Average-quality black-and-white photographs dot the five chapters, which detail the man's rise from a Nigerian soccer player to a basketball star, playing first for the Houston University Cougars, and then for the Houston Rockets. The focus of the book is Olajuwon's athletic prowess; very little information on his personality or personal life is given. A chart of career highlights and statistics is included. Students interested in basketball and Houston Rockets fans may find this title of interest, but it's not particularly memorable. Janice C. This book provides a very good bibliography about Hakeem "The Dream" Olajuwon. Hakeem Olajuwon is an amazing athlete from Nigeria who came to America and succeeded as a basketball player. He is my favorite basketball player from the NBA, and this book shows why he was so great.

He's won two championships, and he even recorded an extraordinary triple-double one time. If you want a very interesting book about Hakeem Olajuwon, look no further than this one.

HAKEEM, THE DREAM, OLAJUWON! Greatest blocker, MVP of 94/5 and two time NBA champ. If you want to find more about this phenomenal player, who has lead his team, the Houston Rockets through so many victories, read this excellent book!
