My children loved these board books of Max and Ruby by Rosemary Wells. My children enjoyed them so much that I give them as gifts to new parents and to toddlers for birthdays. With a big smile, parents tell me that they "hate" me because their child insists on multiple readings of the same book in one sitting, or at bedtime.

LOVE Max and Ruby!

One of the weaker Max and Ruby books but still good.

Best.book.ever.

My two year old daughter loves Max & Ruby and this book is no exception. The artwork and simple sentence structure are perfect for quick naptime story and Max's antics are always adorable. I highly recommend this book to anyone!

What can I say? This is one of my favorite Max book, and Max books are some of my favorite children's read-aloud books.
