Art Of The State: Iowa

Synopsis

This is one of a series of compact books designed to celebrate the essence of each of the 50 United States, illustrating and describing its natural wonders, historical and cultural milestones, industrial innovations and personalities who have helped to shape the state's distinctive heritage. The illustrations encompass fine and folk art, architecture, crafts, and photographs of people and places. Also included are lists of museums, historical societies, tourist attractions and a perennial calendar of events. --This text refers to an alternate Hardcover edition.

Customer Reviews

This book (front of book visible) is on my bookshelf with other books from my travels. The Grant Wood painting is perfect for the cover. Wonderful job!

Ordered this book and was surprised by the size when it arrived. It is slightly bigger than a CD. It is a book about art but the pictures are small and the print even smaller. Very disappointed. Great subject but too small to enjoy.

Beautiful little book. Let a friend borrow it and never got it back.

Great gift! I need to order one for myself. The info was interesting and packed into this small book. Cute historic facts and nice pictures. Makes a great gift, or perhaps a great addition to a coffee table

book collection.

make sure you look at the dimensions of the book before you buy. It is smaller in size than anticipated.

Cute little books, with so much information and pictures of Iowa. Was a gift for someone out of the country.

Actual book size was smaller than I expected, but still ok. Gave it as a gift, I thought it was a good keepsake of Iowa.

As a lifelong Iowan, I was delighted to find this beautiful little volume. It is profusely illustrated, mainly with artworks (but also a few well-chosen photographs,) of all things Iowan. The text lovingly describes our land, history, and culture, as well as art and literary endeavors, public works, and things that are uniquely Iowan. It ends with a perennial calendar of events and festivals, and a list of museums, attractions, gardens and other resources. Delightful to look at, it invites browsing through its colorful pages. I use this as a perfect gift for out-of-state visitors.
