Customer Reviews

Been to the village, and know the author and his most delightful wife. Wonderful people. Roy has a wonderful way with words. An excellent & enjoyable read.

This books in a great read. It is beautifully written with English style of word useage. It is funny and educational at the same time. My wife and I have family living in Greece, therefore we have witnessed some of the strange (for Americans) way things get done. No checking accounts, take cash, pay bills by going to the utility companies to pay each month and many others. This book sheds light on the many difficulties of getting something done. It's all very quaint. This books is a wonderful, enjoyable read. I would recommend it, especially to travelers. Thoroughly enjoyable.
