Piper

Synopsis

#1 international bestselling author of *Thirteen Reasons Why* Jay Asher and co-author Jessica Freeburg brilliantly reimagine the classic *Pied Piper* legend as a powerful graphic novel about loneliness, love, and vengeance. Fans of Neil Gaiman and *Through the Woods* by Emily Carroll will devour this eerie, atmospheric retelling.

 Long ago, in a small village in the middle of a deep, dark forest, there lived a lonely, deaf girl named Maggie. Shunned by her village because of her disability, her only comfort comes from her vivid imagination. Maggie has a gift for inventing stories and dreams of one day finding her fairy-tale love.

 When Maggie meets the mysterious Piper, it seems that all her wishes are coming true. Spellbound, Maggie falls hard for him and plunges headfirst into his magical world. But as she grows closer to the Piper, Maggie discovers that he has a dark side.

 The boy of Maggie's dreams might just turn out to be her worst nightmare |

 With striking illustrations from Eisner-nominated artist Jeff Stokely, mixed with Jessica Freeburg's work on historic and legendary horrors, *Piper* is an exciting new departure for Jay Asher that deftly touches on the same themes of truth, guilt, and redemption that made *Thirteen Reasons Why* a beloved bestseller.

Gorgeously illustrated and lyrically paced, *PIPER* had me under its spell from the first page. A riveting and, at times, chilling response to one of the most fascinating legends that history and fairy tales have given us.
