I just ordered this so my son could pick a few small posters to hang on his wall in his new Pirates of the Caribbean room. It's nothing fancy and is pretty much what it says. The poster pages are thin and the colors look a little washed out. There were also 8 postcards in the book which looked much better. They looked like photographs with bright vivid colors. These were mostly what he ended up putting on his walls.

Love the photos they chose for this poster book. Very clear and nice shots. Nice little collectible for my Pirates collection

The photo are of excellent quality and make for a great addition to the three Pirates movies. I love the Pirate movies and hope there will be more and that there will be another poster book to follow.

Another excellent product from . You always have the best selection of Pirates of the Caribbean merchandise and the most reasonable prices. Also, everything is shipped very quickly and arrives in perfect condition. I look forward to buying more products from you in the near future.

Love my book.

This is a great poster book. I love Captain Jack and anything I can buy or receive about him. This book is a good addition.

THIS IS A VERY COOL BOOK FOR THE COLLECTOR OF ANY JOHNNY DEPP PIRATES OF THE CARIBBEAN. I PERSONALLY RECOMINED THIS AS PART OF THE COLLECTION.
