Book by MCDUGAL LITTEL

was bought as a second copy. is my daughter's British Lit honors textbook and weighs about 10 pounds. No way she could continue carrying this back and forth to school everyday with all the other textbooks she has. It was in pristine condition and has been a life saver to have at home. Paid 140.00 for identicle one from school

The condition of the book was not as expected but I guess its not bad for a used book and if we consider that its helping a non profit organization that provides scholarships for deserving students then its been a better buy.

Better than expected. Great delivery time. Thank you. Good job.

Good

This book costs around 120.00 or so new. A used book purchase is a great deal on this!!If a student has lost this textbook and is going to be charged for it, try to ask the school librarian if she will

accept a used copy. This can save you money.

good condition
