Global Corporate Finance: A Focused Approach: 2nd Edition

Synopsis

Global Corporate Finance, 2nd edition written by a son-father team introduces students and practitioners to those principles essential to the understanding of global financial problems and the policies that global business managers contend with. The objective of this book is to equip current and future business leaders with the tools they need to interpret the issues, to make sound global financial decisions, and to manage the wide variety of risks that modern businesses face in a competitive global environment. In line with its objective, the book stresses practical applications in a concise and straightforward manner, without a complex treatment of theoretical concepts. Instructors who want students to possess practical, job-oriented skills in international finance will find this unique text ideal for their needs. Suitable for both undergraduate- and graduate-level courses in international finances, this book is clearly the "go-to" book on one most important aspect of corporate finance. The revised, 2nd edition offers updates to the chapters, answers to some end-of-chapter problems, and a number of practical case-studies. It also comes with a complete set of online ancillary materials, including an Instructor's Manual, a test bank of 500 multiple-choice questions, two sets of PowerPoint lecture slides, and separate, detailed lecture notes. The ancillary materials are available upon request for instructors who adopt this book as a course text.

Kenneth A Kim is an associate professor of finance at the State University of New York (SUNY) at Buffalo, the Academic Director of its Singapore EMBA Program, and the former Chair of its MBA and PhD Programs. In 2008, Dr Kim received the Chancellor's Award for Teaching Excellence in 2008, which is the most prestigious teaching award in the state of New York consisting of 64 public colleges and universities. Dr Kim has previously held a variety of academic appointments at 16 different universities around the world, including the University of Tokyo, Chinese University of Hong Kong, Renmin University of China, Georgetown University, and the University of Michigan. Dr Kim consults for various businesses and organizations including money managers, financial institutions, stock exchanges, governments, and other regulatory bodies in the areas of international finance, Asian financial markets, and financial markets regulation. During 1998 and 1999, he worked as a senior financial economist at the US Securities and Exchange Commission in Washington, DC, where he worked on a wide variety of corporate finance and governance issues. Dr Kim's primary research interests include corporate finance, corporate governance, behavioral finance, and Asian financial markets. His research has been highlighted in the financial press including The Wall Street Journal, The Financial Times, NewsWeek and BusinessWeek. He has articles published in the Journal of Finance, Journal of Business, Journal of Corporate Finance, Journal of Financial Intermediation, Journal of Empirical Finance, Journal of Financial Markets, Journal of Banking and Finance, and Journal of Financial Research, among other leading academic journals. Author of two textbooks, Corporate Governance and Global Corporate Finance, Dr Kim received his PhD in

Finance from the University of Rhode Island, his MBA from the University of Detroit Mercy, and his BA in Economics from the University of Michigan in Ann Arbor. Suk H Kim, a professor of international finance, is the discipline coordinator of finance and international business at the University of Detroit Mercy. Professor Kim has authored or coauthored about 20 books and 50 peer-reviewed academic journal articles. According to an article by Allen Morrison and Andrew Ipken (The Journal of International Business Studies, First Quarter, 1991), Professor Kim was among the top 25 international business researchers of the 1980s. His articles have appeared in the Journal of International Business Studies, The Columbia Journal of World Business (now the Journal of World Business), Management Accounting (now Strategic Finance), The Engineering Economist, and several others. He was the Fulbright scholar at Yonsei University in Seoul, South Korea, in 1992. Professor Kim was the founder-editor of two prestigious academic journals: Multinational Business Review (MBR: 1992 2002) and North Korean Review (NKR: 2005 2013). The editorial office of MBR is now housed at St. Louis University and is published by Emerald in the United Kingdom. The editorial office of NKR is now housed at Yonsei University in Korea and is published by McFarland in the United States. Professor Kim has received numerous awards for excellence in teaching and research. He received his PhD in Finance from St. Louis University, his MBA from Pepperdine University, his MA in Economics from Yonsei University in Seoul, South Korea, and his BA in Economics from Soongsil University in Seoul, South Korea.
