Understand And Overcome Gambling Addiction (Understand & Overcome)

Synopsis

This book provides you with the knowledge needed to overcome gambling addiction, which is the “most insidious and baffling” disease according to Gamblers Anonymous. The book draws on the author’s 20 years of gambling addiction, the trials and tribulations of users from a self-help community started in 2003 (GamblingHelper.com), and the latest scientific findings. The book discusses the symptoms, triggers, and causes of gambling addiction from the perspectives of biology, psychology, environment, economics, and spirituality. The book includes solutions to overcome the disease based on the most current research. The Gamblers Anonymous program was founded in 1957 and is based on Alcoholics Anonymous, which was founded in 1935. New and important findings on compulsive gambling have been found since that time. This book discusses these new findings. Gambling addiction can be overcome and this book shows you how.

Customer Reviews

The book, in my opinion, did not offer an in-depth understanding of gambling addiction. Rather, it stayed superficial very easy to read. I was looking for a discussion on how one crosses the line

between social gambling and compulsive gambling. What is impact on a gamblers life, and what are the key impact points that make gamblers get out of denial and stop gambling? What are the paths one needs to take to stop the compulsive gambling? Didn't get it from this book.
