Customer Reviews

This book has most of the major corporate and partnership statutes, as advertised, with few substantive exceptions.

Helpful!

Not the best, not the worst. It was the required book in my class so I bought it. However if you buy this and the E&E, then that is a good complement.

Very helpful, and it's slim enough that you can carry it around in your backpack!

Lazy, no table of contents by statute or index! What gives? Real Tax Codebooks have both

Most exciting read ever! Just kidding, but I had to post this.

It is very good

This was a new book so there were no markings but the Regulations were very useful esp for Partnership Tax
