Harry Potter fans will love these posters. I gave it five stars because I felt the beauty, cost (16.49), and quality were well worth it. This consists of movie posters that are boards (paperback is an understatement) with high quality movie posters advertising the movie in various different written languages from all HP movies; whereas its companion, The Quintessential Images, consists of images of high quality pictures captured from movie scenes without words from all HP movies. The photos are large and beautiful. I bought another set after ordering the first set of both books. one to keep in its book form and the other in case I decide to hang any of the posters.

I would recommend this to any serious Harry Potter fan. I got this for my nine-year-old daughter. She loves looking through the pictures. She hasn't taken any out of the book so far, so I can't rate based on how well they hold up as actual posters. This movie poster collection would be great for any fan of all the Harry Potter movies.

Pretty amazing for any Harry Potter fan! My daughter lost her mind over it!

Nice large format movie posters as advertised. Got this for a gift for my daughter and she loved it. Beautiful.

Great quality!

fine!

FANTASTIC COLLECTION OF POSTERS
